## Class Set ADOPTION OFFER

The Targeting Grammar Activity Book series follows a carefully developed scope and sequence that provides comprehensive instruction in grammar and punctuation, enabling all students to become skilled communicators.

Each book delivers basic instruction on grammar conventions appropriate to the year level. The activities provide a step-by-step process towards achieving knowledge and understanding of the elements of grammar and their practical application. The books are divided into six sections that cover the following areas of study: Nouns, Pronouns, Adjectives, Verbs, Adverbs and Sentences. Each section includes definitions, explanations, examples and activities for students to practice and consolidate their knowledge and understanding of grammar in reading and writing.
