

# Class Set ADOPTION OFFER

The **Targeting Homework** activity books provide Maths and English revision of the Australian Curriculum for years Year 1 through to Year 6.

Each book contains 32 weekly units (8 per term) with activities in:

#### ENGLISH

- Grammar & Punctuation
- Phonic Knowledge & Spelling
- Comprehension & Reading
- Handwriting

#### MATHS

- Number & Algebra
- Statistics & Probability
- Measurement & Geometry
- Problem Solving

#### Features are:

**Traffic Light marking system** – a simple colour-coded marking system enables children to record their results and provides an at-a-glance overview of their progress.

**Term Reviews** – each of the 8 units is followed by a term review test for assessment. Parents, carers and teachers can use these results to monitor their child's progress and identify low performing areas.

**Reading Review segment in each unit for children to record and rate their home reading** – no need to buy a separate Reading Journal!

**Answers** for all activities are supplied at the back of the book, for easy removal.

**ACARA Curriculum Codes** and their descriptions are provided for every unit.

**English and Maths Scope and Sequence Charts** are on the inside covers for easy reference to the relevant curriculum outcomes.
